

W.A.L.T. (We Are Learning To): Use adverbials in our writing.

We have been learning about how we can use adverbials in a sentence.

Let's start by deciding whether we are going to talk about:

✎ Manner (how) ✎ Place (where) ✎ Time (when)

The children sang **loudly** in the **school**
hall.

Now write a sentence using an adverbial of your choice:

Remember: An adverbial is a word or phrase that gives more information about a verb.
